SIMON SCHUSTER, United States, 2013. Paperback. Book Condition: New. Original.. 212 x 138 mm. Language: English . Brand New Book. Baywatch star Gena Lee Nolin shares her story of undergoing and overcoming two decades of misdiagnosed thyroid disease and shows how the estimated sixty million Americans suffering from thyroid disease can learn to live healthy, happy, and beautiful lives. The most comprehensive, user-friendly handbook available for anyone suffering from thyroid disease: everything you need to know to reclaim the happy, healthy, wonderful life you deserve! Gena Lee Nolin, a star of the hit TV series Baywatch, was the picture of perfect health. Then suddenly she was plagued by a baffling array of symptoms: exhaustion, brain fog, bloating, depression, hair loss, and debilitating changes in energy, weight, and mood, culminating in lifethreatening symptoms during her pregnancy. Like millions of American women, Nolin was struggling with undiagnosed thyroid disease. Thyroid problems leave women feeling anything but beautiful, and often they find themselves stigmatized by friends, family, the media--even doctors. But it doesn't have to be that way! Collaborating with New York Times bestselling author and internationally recognized thyroid patient advocate Mary Shomon, Nolin uses her own story to deliver practical information vital for anyone struggling with thyroid issues. Readers will learn how to get diagnosed accurately and treated effectively, how to lose weight, balance hormones, solve beauty challenges, and regain their self-confidence. Full of practical checklists, questionnaires, and advice from America's leading experts in thyroid and hormonal health, here is a heartfelt, helpful guide for women who are ready to feel strong, sexy, and beautiful again.
