Createspace Independent Publishing Platform, United States, 2015. Paperback. Book Condition: New. 229 x 152 mm. Language: English . Brand New Book ***** Print on Demand *****. This book will demonstrate that you, as a Christian woman, have the fundamental right to divorce your husband at any time, for any reason, without explanation or justification. Your marriage is not a covenant relationship governed by the ministers of the Church. There is not a single verse in the entire Bible that forces a woman to remain in any relationship against her consent. God does not hate divorce and you are not the lifelong servant of your husband. Marriage is a relationship between two people that is completely voluntary from beginning to end.
