These studies explore that question - whether you are happy in singleness or find it trying. You will be encouraged to listen deeply to God, identify the gifts your life offers you, and grow into a sense of belonging. Being single is not just marking time; God is calling us today. There are ten individual or group studies in this book. This Lifebuilder Bible Study in the new revised format features questions for starting group discussions and for meeting God in personal reflection, as well as a Now or Later section in each study.
