Brand New Book ***** Print on Demand *****.Unfolding is a daily devotional for the season of Advent. Beginning with the first Sunday in Advent, Lexanne Leonard brings a gentleness to the days through her offering of scripture, poetry, and prayer, ending on Christmas morning. It is a breath and pause to reconnect with the Divine in these busy days of Advent. Each meditation was written through lectio divina from the lectionary readings for each Sunday of Advent, Cycle C. Every day a piece of the Sunday scripture is expressed through poetry, prayer, and reflection. Also, each day of the week is dedicated to bringing to the forefront compassionate concerns for our world. Through Lexanne s own practice of Passage Meditation, she presents a mantram, a short phrase, for each week. It can be said throughout the day to bring one back to the present and to draw strength from the scripture passages, poems, and prayers offered in the daily meditation. Here, within her words is the rhythm we all may be seeking. Instead of clamor, there is quiet. Rather than over spending in order to give, there is the offering of gift which no money can buy. We will not faint under the pressure to get things checked off a list, but instead simplicity is called upon with bible, candle, silence, and reflection. - Scott Jenkins, Director, Celtic Way.
