Reviews

*This book is great. I have go through and so i am confident that i will going to read through once again again in the future. I am just easily can get a satisfaction of looking at a written book.
(Miss Vernie Schimmel)*

GARDENER S ORGANIZER (HARDBACK)

Ryland, Peters Small Ltd, United Kingdom, 2008. Hardback. Book Condition: New. 248 x 204 mm. Language: English . Brand New Book. This beautiful retro-style journal is somewhere to plan, develop and record your garden, and chart your growing successes. In My Garden, record and sketch your plot as it is now, and ponder what your ideal garden would contain. Next, in Planning Inspiration, draw up designs for beds, features and planting schemes (on special graph-paper pages), make plant lists, and paste in pictures and photos that you love. A section called The Garden Year provides space for you to note down tasks for every season, while four themed chapters (The Kitchen Garden, The Flower Garden, Trees, Shrubs and Climbers and a chapter for other plant groups such as ferns and aquatic plants) help you note what you planted and when, record pruning and growth development, and what the year s crop or blooms were like. Finally, a useful Resources chapter gives you an address book, space to document gardens you have visited and somewhere to list useful books.
