Brand New Book \*\*\*\*\* Print on Demand \*\*\*\*\*.Excerpt from Hand-Loom Weaving: A Manual for School and Home For many years we, the teachers of the United States assembled in village, city, State, and national conventions, have recited our creed and chanted it in all keys. We believe that man is a trinity, three in one - head, heart, and hand, one soul made manifest; we believe that this union is vital and indissoluble, since what God hath joined together may not be rent asunder; we believe that this three-fold man, being put to school on earth to grow, may devise and bring to successful issue no scheme of education that is out of harmony with the plan of the Creator. Congratulating ourselves upon our ready and distinct utterance of this lofty thought, we have calmly returned to our man-devised book-schools for the acquisition of knowledge, in order to forward some plan for the accumulation of more knowledge. But wisdom lingered ! Here and there voices were raised that would not be silenced: You sang your beautiful song; what are you going to do about it?
