Brand New Book \*\*\*\*\* Print on Demand \*\*\*\*\*.It is the summer of 2005, near Tikrit, Iraq. Captain Paul Demarti is the executive officer of communications when a report is received from a patrol that is incredible, at best, or ridiculous, at least. The patrol begins to report hostile contact with giant canine-like creatures when the communication is suddenly cut off. Little does Demarti know that these transmissions will change the course of his life and commence events that will threaten humanity's existence. In Jason McKinney's furiously fast-paced and viciously fanged Dog World, it's werewolves versus soldiers stationed in Iraq, with no less than the fate of humankind hanging in the balance. In a werewolf action thriller like no other, bloodlust reigns and battles rage as a few of America's bravest struggle to suppress an enemy who is stronger, more cruel, and, at the onset, far hairier than any terrorist they have ever known. Readers craving a compelling, craven story that is coursing with humor will relish sinking their teeth into Dog World.
