Holiday House. 1 Cloth(s), 2015. hard. Book Condition: New. "Open your eyes, and look," begins this simple yet reverential book for prereaders from the creator of the Caldecott Honor recipient *Strega Nona*. In his sunny, cleanly outlined acrylic illustrations, Tomie dePaola depicts a boy waking up and discovering the simple wonders of life, including flowers, a rainbow, an orange, and above all, being with other people."Rather than go the route of many before him in this genre and provide a catalogue of all the things that readers should be thankful for, dePaola takes a different tack: he urges his audience to be fully present in and grateful for the world around them. With its naive beauty and unaffected solemnity, it's a little book that may quickly become a treasured keepsake."Publishers Weekly 28.
