Brand New Book ***** Print on Demand *****.Excerpt from A Primer of Map Geography: With Recent Departmental Examination Papers From the Provinces of Ontario, Manitoba, and Nova Scotia In compiling this Primer of Geography the aim of the editors has been, not to produce a literary work, but to present, in a simple and systematic form, all the material necessary for the various promotion, entrance, intermediate, and other official examinations. To overcome the great difficulty of preparing students for these examinations, some masters throughout the province have taken the ordinary text-books in use, and from the multitude of sentences, selected what they deemed necessary to be learned by the pupil. Others again have used the blackboard or the dictation book for the facts to be memorized. These plans are objectionable, as the one does not present the words from the text-book so as to be remembered readily, and the others necessitate the loss of much valuable time. Further, the pupil does not recognize the word in its written form, and thus the spelling is not taught. Of still more importance, and what of itself should commend this work to teachers and the public generally, is that the exercise book required for the dictation exercises in Geography alone costs as much as this Primer. The work is arranged in tabular analyses, to prevent the waste of time in poring over a prosy text-book. Brief notes are inserted at intervals to convey information of special interest. Although merely preliminary, this book will be found to contain all that is necessary to fit a student for any of our examinations in the subject, Geography. As to what and how much to teach, those in charge must exercise...
