Brand New Book ***** Print on Demand *****.21 Days to a Chiseled Chest Having a bold and carved chest is one testament to manhood for many men, and there is a good chance if you have a y chromosome you feel this way. When the pecs are tight and in great condition they make you feel good as well as generate a lot of welcomed stares and sometimes touches. If you have always dreamed of having the kind of chest Superman would be proud of, but you just have not been sure where to start then look no further. Grant Michael s has put together an excellent weight training guide that not only gives you fundamental exercises for getting your ideal set of pecs, but also explains how each exercise works and on which muscles. In 21 days you will wonder why you did not always look so buff. How Will This Guide Lead You to Perfect Pectorals? Easy, through progressive overload. This is a method of increasing the endurance that is placed on your muscles with weights and different positions. The muscles, in turn, will step up to meet the challenge. Through weight lifting combined with the recommended rest stages and rotations, you will have firm and hard lines that will make it difficult to keep your shirt on. You will get a detailed explanation of when it is best to use, Isolation Exercises - focus on one set of muscle groups such as the biceps only or the triceps only. OR Compound Exercises - combines different muscles located in different parts of the body to promote a more even mass increase. Grant has chosen to use this guide as an introduction to compound...
