Brand New Book \*\*\*\*\* Print on Demand \*\*\*\*\*.How dare you compare Donald Trump to Adolf Hitler! Haven t you heard of Godwin s Law? Donald Trump and Adolf Hitler confronts the cultural taboo of considering Nazi ideology in the context of present day politics by entering into a serious examination of both the Third Reich and our own time, paying attention to both the similarities and differences. A presidential candidate as breathtakingly original as Donald Trump deserves more than just a snigger here and a snide remark there. Horace Bloom delivers a powerful review of the relevance of the darkest days the 20th century to the essential decisions we are faced with in our own time. Don t cast your vote in the 2016 presidential election without confronting the complex web of connections between Trump and Hitler.
