New Harbinger Publications. Paperback. Book Condition: New. Paperback. 184 pages. Dimensions: 8.9in. x 6.0in. x 0.5in. Since its publication in 1987, *Self-Esteem* by Matthew McKay and Patrick Fanning has set the standard for self-help books that seek to improve self-esteem. With more than 600,000 copies sold through its three editions, *Self-Esteem* has helped hundreds of thousands of readers learn to think more positively about themselves, bringing them greater happiness, success, and peace of mind. But *Self-Esteem* is more than just one book. The *Self-Esteem Companion*, published in 1999, distilled the best techniques of the original book into sixty simple exercises that readers could learn and use when and wherever they went. Now, the people who brought you *Self-Esteem* and *The Self-Esteem Companion* have once again adapted the inspiring techniques from the original book into a new and exciting project. This book uses a technique known as guided journaling to help readers teach themselves to vocalize their feelings, conquer self-doubt, discover their strengths-and generally change the way they think and feel about themselves for the better. The *Self-Esteem Guided Journal* offers you a ten-week program of writing exercises that will help you shift your focus from the things wrong with your life to the things that are right. The book begins with a week of journaling about non-judgment regarding everything from people in the news to your own behavior. Weeks two and three guide you to discover your strengths and redefine your weaknesses. The exercises in weeks five and six help you review your past to see how formative events have affected your self-esteem. Week seven focuses on the impact of thoughts, while week eight works to help you learn how to hold to your own truths and stand up for yourself. In week nine, you'll directly explore your experiences with...
