Reviews

Extensive guideline! Its such a great go through. It is definitely basic but surprises in the 50 % of the pdf. It is extremely difficult to leave it before concluding, once you begin to read the book.

HarperCollins Publishers Inc, United States, 2014. Hardback. Book Condition: New. 231 x 203 mm. Language: English . Brand New Book. Hailed by ESPN as the world s most famous female basketball player, Brittney Griner has been shattering stereotypes and breaking boundaries ever since she burst onto the national scene as a dunking high school phenom. Now, she shares her coming-of-age story, revealing how she found the strength to overcome bullies and to embrace her authentic self. Brittney Griner, the No. 1 pick in the 2013 WNBA Draft, is a once-in-a-generation player, possessing a combination of size and athleticism never before seen in women s basketball. But the sport s most transformative figure (Sports Illustrated) is equally famous for making headlines off the court, for speaking out on issues of gender, sexuality, body image, and self-esteem. At six foot eight with an eighty-eight-inch wingspan and a size 17 men s shoe, the Phoenix Mercury star and three-time All-American has heard every vicious insult in the book. Bullied for being different, she has endured years of taunting, from middle school to the present day. Through the highs and lows, Brittney has learned to remain true to herself, rising above the haters who try to take her down. The journey has often been lonely. Feeling uncomfortable in her own skin for much of her adolescence, Brittney struggled with anger, the Achilles heel that often got her into trouble, usually with her fists. Her transformation began when she discovered basketball in high school. The court has almost always been a safe place for me, a space where I can rejuvenate myself, she says. It has always been the one place I feel free. In this heartfelt memoir, Brittney reflects on painful episodes in her life, from the confrontations she dealt with as a kid, to the infamous...
