### Reviews

*A whole new eBook with a brand new point of view. It is definitely simplistic but shocks in the 50 percent of the publication. I am just pleased to explain how this is the greatest ebook i have read during my very own daily life and could be the best ebook for possibly.*

Createspace Independent Publishing Platform, United States, 2015. Paperback. Book Condition: New. 229 x 152 mm. Language: English . Brand New Book \*\*\*\*\* Print on Demand \*\*\*\*\*.Personal development and motivational guru Dori Nolan presents a comprehensive look at two of the most well-known parenting styles—that of the so-called Tiger Mom, who runs her house as if it's a Navy SEAL training camp, and the Western Mom, whose approach to parenting is rather lax and child-guided—and argues that the best parenting method is one that combines the positive aspects of each (as well as that which matches best with the temperament of the child). A single mom who specializes in personal development and parent-child relationships, therapist Dori Nolan has spent years studying different parenting methods, field-testing them in her own home, and advising other parents on the subject as well. Parenting is a trial and error process, but with her book, Nolan provides valuable information that will make parenting easier and more effective by showing how to create a parenting style that provides the nurturing, motivational, free-spirited environment with enough structure and control to guide the children onto the path towards success. You'll learn how to: Motivate and encourage without going the everyone gets a trophy route Balance competitiveness and cooperation Better understand your child's needs and how to approach them Discipline effectively in a psychologist-approved method Handle being a single parent Encourage your child's social development in the most beneficial way possible And that's just a few of the topics that Nolan covers. This book has helped thousands of parents find the parenting method that best suits the needs of their child. By prescribing a balanced, highly customizable parenting style, Dori Nolan's book has the power to help all parents, no matter their situation.
