REVERSE DISCRIMINATION IN EC LAW

Kluwer Law International. Hardback. Book Condition: new. BRAND NEW, Reverse Discrimination in EC Law, Alina Tryfonidou, The spectre of reverse discrimination arises when it can be shown that a group is treated more favourably than another group that is normally favoured, as a consequence of positive action measures. Until recently, EC jurisprudence has consistently rejected allegations that reverse discrimination emerging in the context of the Community's internal market policy is an EC problem, reinforcing its commitment to 'positive action' as...
