SIMON SCHUSTER, United States, 1998. Paperback. Book Condition: New. Original ed.. 272 x 211 mm. Language: English . Brand New Book. It was a day when Max didn t feel like talking to anyone. He just sat on his front steps and watched the clouds gather in the sky. A strong breeze shook the tree in front of his house, and Max saw two heavy twigs fall to the ground. So begins this story of a young boy s introduction to the joys of making music. Max picks up the sticks and begins tapping out the rhythms of everything he sees and hears around him . . . the sound of pigeons startled into flight, of rain against the windows, of distant church bells and the rumble of a subway. And then, when a marching band rounds Max s corner, something wonderful happens. Brian Pinkney s rhythmic text and lively pictures are certain to get many a child s foot tapping, many a youngster drumming.
