If the government can define and control freedom then freedom becomes a deranged delusion and nothing more. Ignorance is strength. If we are never made aware of the fact that the most evil criminals in history control all life through the printing of the worthless pieces of paper money that we are made to toil for, we will never be able to identify our real enemies so that we might break our chains. This fact is certainly their strength. War is peace. All wars are charades designed for nothing more than obscene profits and human control, even the War for American Independence. If we never know this we will continue to sacrifice our progeny to the idols of patriotism and freedom and leave our true enemies in perfect peace and prosperity. We have been taught that history shows the long track of human progress. We were told that this progress has led us to a greater experience of the blessings of freedom and equality. Nothing could be further from the truth. In the name...
