Nsemia Inc., United States, 2011. Paperback. Book Condition: New. 203 x 127 mm. Language: English . Brand New Book \*\*\*\*\* Print on Demand \*\*\*\*\*. The Trial of the Gods is the story of a man and his people who live in the Kalahari Desert. They believe that the land they occupy belongs to the Gods hence cannot be owned by anyone else, least of all Government. The book takes the reader through human rights Bushman activism in an environment they are considered uncivilized and stigmatized as scavengers; the wretched of earth, in the words of Franz Fanon. As the government plans relocation and integration of Bushmen into mainstream society one man, Jay, and his people vehemently resist. It becomes a quest for justice, truth and conservation. They cannot listen to anyone, or get instructions from the Government, lawyers or judges. Only instructions from the Gods will do as to whether they should embrace the dangerous world of development and civilization. It becomes a matter of life and death as the man and his people realize that the Gods alone cannot help fight one of the richest governments in Africa. In the process their claims and demands reverberate across the land...
