WW Norton & Co. Paperback. Book Condition: new. BRAND NEW, Blue Beyond Blue: Extraordinary Tales for Ordinary Dilemmas, Lauren Slater, Mermaids, seal women, little girls born of eggs, old men born of prematurely aged parents, and other strange creatures populate award-winning author Lauren Slater's stories of magic, psychology, pain, and release. Slater depicts the modern-day psycho-pharmaceutical industry and our ongoing obsession with chemically synthetic solutions, the staleness and surprises embedded in married erotic love, the conflicts in the mother-daughter bond, the universal struggle with dependency and addiction, and more. In addition, she explicitly and implicitly explores the value that fairy tales and fables still have in our culture as tools of healing and illumination. "World-weary grown-ups will find Slater's tales delightfully wry" (Amanda Heller, Boston Sunday Globe) as she successfully combines her skills as a storyteller and her profound knowledge of psychology to create a bizarre world that is also hauntingly familiar. Daring and absurd, poignant and disturbing, these stories are beautifully written and will enchant and edify adult readers forever after.
