Craftsman Book Company, United States, 2014. Paperback. Book Condition: New. 274 x 211 mm. Language: English . Brand New Book. Need help in passing the apprentice, journeyman, or master electrician s exam? This is a book of questions and answers based on actual electrician s exams over the last few years. Almost a thousand multiple-choice questions -- exactly the type you ll find on the exam -- cover every area of electrical installation: electrical drawings, services and systems, transformers, capacitors, distribution equipment, branch circuits, feeders, calculations, measuring and testing, and more. It gives you the correct answer, an explanation, and where to find it in the latest NEC. Also tells how to apply for the test, where to get your application form, how best to study, and what to expect on examination day. Includes a FREE software download with all the questions in the book in interactive test-yourself software that makes studying for the exam almost fun! Updated to the 2014 NEC. This is a tool every journeyman and master electrician candidate will find worth several times the small expense.
