Forgotten Books, United States, 2015. Paperback. Book Condition: New. 229 x 152 mm. Language: English . Brand New Book \*\*\*\*\* Print on Demand \*\*\*\*\*.Excerpt from A Glance at the Italian Inquisition: A Sketch of Pietro Carnesecchi; His Trial Before the Supreme Court of the Papal Inquisition at Rome and His Martyrdom in 1566 However seldom the Tribunal of the Roman Inquisition has been induced to reveal its secrets to anyone, however powerful he might be, and even then but restrictedly, nevertheless, there are instances of processes having been sent to Foreign Courts. Paul IV., most jealous of those secrets, when he sent his nephew, Cardinal Caraffa, to Philip of Spain, sent with him in his suite Girolamo of Nichisola, a Dominican monk, fully informed of the process instituted by that Pontiff against Cardinal Pole, and gave orders that a copy of that process should be handed to them in order that the Cardinal should show it to the King and to his ministers, a thing quite unusual with the venerated decrees of the Holy Office, but so decreed by the Pope that it should be seen that he did not proceed against that personage under passionate impulse. These words in Italics are found in Bartholomeo Carrara's Life of Pope Paul IV. Carrara is styled by Padre Lagomarsini eruditus ac diligens, historicus, in a note on page 26 of Vol. I. delle Lettere Poggiane. - See Preface to the Extract from the Record of the Proceedings against Pietro Carnesecchi, addressed by Count Manzoni di Lugo to the Reale Deputazione di Storia Patria Italiana.
