Speedy Publishing LLC, United States, 2014. Paperback. Book Condition: New. 229 x 152 mm. Language: English . Brand New Book \*\*\*\*\* Print on Demand \*\*\*\*\*.The secret to being well off and rich isn't how much you make. It's how much you spend. The basic question-- do I really need it? is the key to financial stability for the less-than-millionaire set as well. Frugality starts by aggressively paying down your credit card debt. Money for that process can be had by not paying \$5 for a cup of coffee every morning, or more radical approaches, like selling your house and buying a smaller one and using the proceeds to pay down debt.
