By D. LaMont Johnson, Kulwadee Kongrith

Taylor & Francis Inc. Paperback. Book Condition: new. BRAND NEW, *Teaching Teachers to Use Technology*, D. LaMont Johnson, Kulwadee Kongrith, Help teachers become more effective in the classroom Though teachers may have access to the newest technology, they often avoid it because they don't understand it or know how to use it to their best advantage. *Teaching Teachers to Use Technology* provides numerous strategies for effectively infusing technology into teacher education. This timely book includes models for professional and staff development, inquiry learning, network-based assessment, and collaborating through online learning and publications to increase the quality and quantity of educators entering the workforce as classroom teachers. The Millennium Project's PT3 (Preparing Tomorrow's Teachers to use Technology) program provided funds to spark educational projects such as the Leaders in Technology Enhanced Schools (LITES) project and others, all to better prepare pre-service and in-service teachers to teach more effectively through the use of technology. *Teaching Teachers to Use Technology* presents the latest research results and highlights case studies to illustrate the strengths and weaknesses of various projects. Respected experts discuss creative strategies to provide readers with a range of perspectives and innovative ideas to meet future challenges in education. The text provides...
