Belton does an admirable job of letting Leah describe her despair and the alienation she feels from her parents, especially her mother, whose own grief makes her seem insensitive to Leah. Readers who have experienced the complex range of emotions brought on by a tragedy of this nature will appreciate Belton s sensitive depiction of loss. Kirkus Reviews When sophomore Leah s beloved older brother, Luce, who was adopted, dies in a car accident, she tries to cope with her overwhelming grief. Did Luce ever want to find his birth parents? Luce had been a particularly gifted and well-liked young man - the light his name indicates. Leah decides to seek Luce s birth family; unexpectedly, her search helps her come to a better understanding of the special relationship Luce and her own parents shared - so special that Leah questions whether her mother loves her as much as she obviously loved Luce. While she is engaged in finding...
