

The Palmetto State: The Making of Modern South Carolina (Paperback)

By Jack Bass, W Scott Poole

University of South Carolina Press, United States, 2012.
 Paperback. Book Condition: New. Reprint. 216 x 140 mm.
 Language: English . Brand New Book. The captivating, colorful, and controversial history of South Carolina continues to warrant fresh explorations. In this sweeping story of defining episodes in the state's history, accomplished historians Jack Bass and W. Scott Poole trace the importance of race relations, historical memory, and cultural life in the progress of the Palmetto State from its colonial inception to the present day. In the discussion of contemporary South Carolina that makes up the majority of this volume, the authors map the ways through which hard-won economic and civil rights advancements, a succession of progressive state leaders, and federal court mandates operated in tandem to bring a largely peaceful end to the Jim Crow era in South Carolina, in stark contrast to the violence wrought elsewhere in the South. This volume speaks directly to the connections between the state's past, present, and future, and it serves as a valuable point of entrance for new inquiries into South Carolina's diverse and complex heritage.

Reviews

This publication is amazing. It is definitely basic but shocks in the fifty percent of your publication. You wont feel monotony at anytime of your own time (that's what catalogues are for concerning if you question me).

-- Prof. Kirk Cruickshank DDS

This kind of book is every little thing and taught me to looking ahead of time and a lot more. I am quite late in start reading this one, but better then never. I found out this book from my dad and i encouraged this pdf to find out.

-- Justus Hettinger
