

## School Development Planning: A Practical Management Guide

---

By Corrie GILES.

Northcote House, Tavistock, 1996. Paperback. Book Condition: New. 1st Edition. 144pp Resources in Education Series.[In stock in Australia now, for immediate delivery] The Education Reform Act 1988 requires each of the 28,000 state primary and secondary schools in Britain to draw up and put into action their own School Development Plan. In this document they must define the human, financial and physical resources available to them, and show how these resources will be used to attain specified goals within a specified timescale. Written by a specialist at the forefront of education management School Development Plans is a step-by-step manual to help every head teacher and governor understand and master this new procedure which will be so important for the future success of their school in today's deregulated environment. Contents: Drawing up the school's mission statement; how to carry out the school audit; planning for the school's development; turning plans into action; taking stock and reporting progress; overview case study; suggested management exercises.

### Reviews

*I actually started looking over this publication. It really is rally interesting throgth studying period. Once you begin to read the book, it is extremely difficult to leave it before concluding.*

-- Dana Hintz

*Good electronic book and valuable one. It really is basic but unexpected situations in the 50 percent in the pdf. You wont really feel monotony at at any moment of your time (that's what catalogues are for concerning when you ask me).*

-- Elisa Reinger
