Createspace Independent Publishing Platform, United States, 2015. Paperback. Book Condition: New. 229 x 152 mm. Language: English . Brand New Book ***** Print on Demand *****. Trust me, it's not what I wanted to do but due to certain issues with the original book size of this book, 6.14 x 9.21, I was compelled to downsize it to a more marketable 6 x 9 size. This took more than a little finagling and shifting things around in order to fit a 6 x 9. During that process certain texts were sometimes slightly altered, sometimes drastically. I realized I just (cursorily) revised this book in November 2015, and now a changing of book size and more changes only a month later in December? I know, what can I say, it's been a real chore. But honestly, I'm glad I had the opportunity to basically rewrite this text because there was wording in various sections that were way off base, now corrected of course. And too, there was a note in one footnote referring the reader to see such and such a page, and damn if it wasn't the wrong page, ha. And then there was the sporadic word or two missing or misspelled, very few and far between mind you but still there. So it was a good thing redoing this. Still and all, it probably won't matter anyhow cause I really don't think anyone will care either way, you know, like that one Kris Kristofferson line in To Beat the Devil : The truth remains that no one wants to know. Unfortunately that is the truth, no one wants to know. On now to our book's contents. This book consists of a very controversial, very opinionated look at the origins and negative effects of...
