

The Longest Day: The D-Day Story, June 6th, 1944 (Revised edition)

Filesize: 2.07 MB

Reviews

It is an awesome book that we have possibly go through. It is actually writer in straightforward words and phrases and not confusing. It is extremely difficult to leave it before concluding, once you begin to read the book.

I.B.Tauris & Co Ltd. Paperback. Book Condition: new. BRAND NEW, The Longest Day: The D-Day Story, June 6th, 1944 (Revised edition), Cornelius Ryan, 6 June, 1944. 156,000 troops from 12 different countries, 11,000 aircraft, 7,000 naval vessels, 24 hours. D-Day - the beginning of the Allied invasion of Hitler's formidable 'Fortress Europe' - was the largest amphibious invasion in history. There has never been a battle like it, before or since. But beyond the statistics and over sixty years on, what is it about the events of D-Day that remain so compelling? The courage of the men who fought and died on the beaches of France? The sheer boldness of the invasion plan? Or the fact that this, Rommel's 'longest day', heralded the beginning of the end of World War II. One of the defining battles of the war, D-Day is scored into the imagination as the moment when the darkness of the Third Reich began to be swept away. This is the story of D-Day, told through the voices of over 1,000 survivors - from high-ranking Allied and German officers, to the paratroopers who landed in Normandy before dawn, the infantry who struggled ashore and the German troops who defended the coast. Cornelius Ryan captures the horror and the glory of D-Day, relating in emotive and compelling detail the years of inspired tactical planning that led up to the invasion, its epic implementation and every stroke of luck and individual act of heroism that would later define the battle. In the words of its author, The Longest Day is a story not of war, but of the courage of man.
