Ooligan Press. Paperback / softback. Book Condition: new. BRAND NEW, *Killing George Washington: The American West in Five Voices*, Anne Jennings Paris, *Killing George Washington* tells the story of the American frontier as it moves west. Anne Jennings Paris, in a collection of narrative poems, imagines the voices of the forgotten historical figures of Lewis Wetzel, a notorious Indian killer; York, the slave who accompanied Lewis and Clark; Charity Lamb, Oregon's first convicted murderer; Ing Hay, a Chinese immigrant who made a name for himself as a doctor; and Mary Colter, an architect who helped shape the western landscape. Exploring the American consciousness, these poems question our shared heritage through the personal stories of legends.
