Intercollegiate Studies Institute, 2009. Book Condition: New. Brand New, Unread Copy in Perfect Condition. A+ Customer Service! Summary: David Novak works his way through the sources of Jewish revelation and the many strands of philosophy to inquire whether a civil society can reasonably claim to be founded in a manner that withstands absolutist tyrannies. He notes that it is not within politics itself that the foundation of political good sense is found. It is found in the prior relation of citizens to God which a polity accepts as good but not of its own making. It is a most valuable effort to have these ideas spelled out so clearly and forcefully." -- James V. Schall, S.J . Georgetown University "This is the serious and thoughtful conservative work on law and religion that people who are not conservatives should read, and grapple with. Such people will find Novak's arguments by turns illuminating and exasperating, and they will fight with the book, as I did, but they will learn a great deal in the process, and the sort of respectful engagement with opposing positions for which Novak has always stood in his career is what he richly deserves to get." -- Martha C. Nussbaum Ernst Freund Distinguished Service Professor of Law and Ethics, Law, Philosophy, and Divinity, University of Chicago "Through the analysis of the books of Genesis and Exodus, Novak confronts the central claim of secularists that religion is somehow an enemy to human rights. . . . It is Novak's great achievement to lay out the necessity for a secular policy to acknowledge the need for religious belief, even as he challenges secularists to return to return to their own premises." -- Touchstone "Perhaps the most striking and distinctive aspect of In Defense of Religious Liberty is Novak's consistent, almost...
