BookBaby, United States, 2015. Paperback. Book Condition: New. Bilingual. 279 x 216 mm. Language: English,Spanish . Brand New Book. ¡HOLA! Let s Learn Spanish Visit New Places and Make New Friends! Introduces children to Spanish. The purpose of the book is to give children an enjoyable experience learning the language as well as to teach them a useful skill. The age range of children is roughly 6-10, although it should include the largest age range possible. It is especially useful for parents and children who reside in the many districts where foreign language is not offered in elementary school. My hope is that kids and their parents will be inspired to continue their study of Spanish throughout school, so that they can truly communicate to the millions of Spanish speakers throughout the world. The book can be used by older children themselves. It can be adapted for use in Foreign Language in Elementary School , FLES, programs and in Foreign Language Experience, FLEX, programs. It can be used by librarians. It would make a great gift for grandparents, relatives or anyone who has a child in his or her life and would like to give that child the beginning of a truly world class education. It can be used by parents, whether or not they speak Spanish, and their children. There is an audio version of the book on Children and parents should follow along with book and audio so that they learn the best pronunciation. The book begins with an introduction, where Pete the Pilot invites children aboard his magic plane for an imaginary trip to Mexico. On board, children are given some basic words and expressions to learn. Parents and children will have best results when learning the Spanish when they repeat often, and use the Spanish in...
