Master thief Michael St. Pierre returns--in an epic adventure five hundred years in the making. Framed for a murder he didn't commit, Michael St. Pierre is forced to reunite with his former love, KC Ryan, to complete two halves of a dangerous mission. Dispatched to the opposite ends of China, they must each steal a separate piece of an ancient puzzle--a compass and diary that, according to legend, are the keys to untold power. If they succeed, their blackmailer will use them to seek bloodthirsty revenge against a ruthless crime lord. If they fail, a poisonous toxin will be unleashed upon the world. Either way, Michael and KC have five days to uncover a five-hundred-year-old mystery--from the Forbidden City of China to the medieval castles of Spain to the mansions of the Amalfi Coast--and every clue, every treasure, every moment they steal could be their last. . . .
