Brand New Book ***** Print on Demand *****.When I think of something being canned I see it as something that is so often repeated that it loses all of its power. From the frustrations of the often stifling Christian culture, arises Green Bean Spirituality, a snapshot of one young man s intimate relationship with God that is refreshingly real and provoking. Ben MacKinnon s journey is about a man striving for eternal perspective despite his personal struggles. This is the beginning of Ben s story. Ben MacKinnon is currently a student at the University of Delaware with a major in Secondary Math Education. Though Ben enjoys writing as a hobby, he is attending school to one day become a public high school math teacher. Though only...
