Merely no terms to spell out. We have read through and i also am confident that i will gonna read yet again again in the future. You will not sense monotony at anytime of your own time (that's what catalogs are for about should you question me).

Holt McDougal, United States, 2010. Paperback. Book Condition: New. 198 x 132 mm. Language: English . Brand New Book ***** Print on Demand *****.A young woman caught at the turning point between success and failure hopes fame and fortune will finally let her leave her old life and her old self behindBirdie Baker has always dreamed of becoming someone else. At twenty-two, she sets off to do just that. Walking out on her pastor husband and deeply evangelical parents, she leaves behind her small-town, small-time life and gets on a bus to Los Angeles.Nine years later, Birdie s life in Hollywood is far from golden, and nothing in the intervening years the brutal auditions, the tawdry commercials has brought her any closer to the transformation she craves. Caught between success and failure, haunted by guilt about a tragedy in her long-forsaken family, Birdie is at the brink of collapse when she meets Lewis, a beautiful but naive young actor with his own troubled history, whose self-destructive impulses run dangerously parallel to her own.When her big chance finally comes, Birdie must reconcile the wide-eyed girl she once was with the jaded starlet she has become and try to find herself and her future somewhere in between. Everything Lovely, Effortless, Safe is the story of a young woman s struggle to make her own way in the Technicolor land of make-believe.
