Reviews

A high quality pdf as well as the typeface applied was exciting to see. It really is written in simple words and phrases rather than difficult to understand. You will not really feel monotony at any time of your time (that's what catalogs are for relating to in the event you question me).

Not illustrated. 1866 Excerpt: .correspondent, sends his first attempt at puzzle-making in the shape of this very good inversion: Anna did I trap a rat tar a part? I did Anna. Frank W. Your monument is very ingenious, and we shall probably find a use for it. Belle R. writes that she is fifteen years old, and has been for four years an invalid, and then she says thoughtfully: I used to feel like Patty Mudge, how I would like to do some great thing for the world s good. But I think my forte is to try and be as patient as I can, so that I sha n t drive every one away from me by my complainings. In this short sentence is a lesson for all the little people upon whom troubles or sufferings come, --to bear patiently, for so they will be happier-minded, while their gentleness will be some return for the comfort and help which they expect from others. Emily A. N. Two dollars. Thanks for your note. Next year we hope you will succeed in getting up some real big clubs. Shirley. Your enigma looks good. But we want a careful list of all the answers, with a numbered list of the letters, that it may be proved without too much trouble. Caroline. The colored pictures have not been forgotten, although they will not appear just yet, because the experiments are not quite complete which we expect will give us the nicest illustrations of...
