Chasing Butterflies is a collection of quotations, poems and the simple joys of life. It is about my life and the way I choose to live it for my God, my family and the people I come in contact with every day. The poems and quotations in this book are original and come from my over thirty five years of writing. I decided to write this amazing book for two reasons. Firstly, my Mom who is an avid reader encouraged me to write a book that she could actually sit on her porch to read and enjoy. Secondly, I wanted to share the richness of my life experiences with not just my inner circle but the entire world. As my late grandmother would say weigh your words before you speak, because words carry weight. The title of this book comes from my love of butterflies. As a young girl, I would spend numerous hours chasing butterflies. I even remember being struck by a passing car as my friend Marcia S. and I chased butterflies on our way home from school. Luckily I was not badly hurt. Chasing Butterflies will not disappoint its readers. It draws from my experiences as a mother, wife, employee, sister, friend and most importantly a child of God. This book will...
