Createspace, United States, 2014. Paperback. Book Condition: New. 229 x 152 mm. Language: English . Brand New Book ***** Print on Demand *****.There is a power lying hidden in man, by the use of which he can rise to higher and better things. There is in man a greater Self, that transcends the finite self of the sense-man, even as the mountain towers above the plain. The object of this little book is to help men and women to bring their inward powers of mind and spirit into expression, wisely and in harmony with universal law; to build up character, and to find within themselves that wondrous Self, which is their real self, and which, when found, reveals to them that they are literally and truly sons of God and daughters of the Most High. There is no way whereby the discipline of life can be avoided. There is no means by which fate can be tricked, nor cunning device by which the great cosmic plan can be evaded. Each life must meet its own troubles and difficulties: each soul must pass through its deep waters, every heart must encounter sorrow and grief. But none need be overwhelmed in the great conflicts of life, for one who has learned the great secret of his identity with the Universal life and Power, dwells in an impregnable city, built upon and into the Rock of Truth, against which the storms of life beat in vain.
