This item is printed on demand - Print on Demand Neuware - Seminar paper from the year 2004 in the subject Philosophy - Practical (Ethics, Aesthetics, Culture, Nature, Right, .), grade: 2 (B), University of St. Gallen (Cultural Studies Department), language: English, abstract: This term paper deals with an essay by the American philosopher Harry G. Frankfurt On Caring . Harry Frankfurt is one of those thinkers who have the ability to provoke new and interesting discussions in philosophy, while keeping the language simple to understand even for the lay mind. This particular essay was published in 1999 in a book called Necessity, Volition, and Love which contained a series of essays dealing with various concepts of human needs, wishes and desires. The goal of this treatise is to present the essay in a more detailed manner and to provide some deeper insight into Frankfurt's concepts by bringing in a couple of examples of everyday life. Having this objective in mind, we begin with a presentation of some biographical information on the author and an overview of his work. This is especially important in order to follow...

### Reviews

*This book is definitely worth acquiring. I have gone through and so I am certain that I will likely to read through again again in the future. Its been printed in an exceptionally basic way in fact it is only after I finished reading this publication in which actually altered me, change the way in my opinion.*
